Description

Explore the limits of navigation with the Nimbus T11

now available from Nautic Luis, and get ready for an experience that perfectly balances the thrill of high speeds with maximum comfort at sea. With a length of 12.4 meters and capacity for up to 12 people, this walkaround stands out not only for its spaciousness, but also for its innovative design that promises unforgettable adventures.

At the helm of the T11, you will feel the power of its performance with its two engines 400 hp Mercury Verado V10 engines.Mercury Verado V10 engines, which will propel you to speeds in excess of 40 knots. Not only is this boat synonymous with speed, but its stepped hull design ensures exceptional seaworthiness and agile maneuverability, allowing you to cut through the waves with precision and confidence.

The deck of the Nimbus T11, designed for outdoor living, features a spacious living area with flexible seating and a full outdoor galley, including a grill, refrigerator, and ice maker, perfect for enjoying fresh meals and drinks without having to leave the beauty of the sea. In addition, her extra-large cockpit and foredeck sundeck invite you to relax in the sun or gaze at the stars in total comfort.

Equipped with the latest navigation and entertainment technology, including the option of dual 12-inch chartplotters and a high-end HIFI sound system, every outing becomes a unique experience. In addition, the inclusion of features such as the joystick rudder and Active Trim further enhance the comfort level of your maritime adventure.

At Nautic Luis, we understand the passion for the sea and the search for the perfect boat. The Nimbus T11 is not just a boat; it is a statement of freedom and style, designed for those who want the best of both worlds: adrenaline and relaxation. Don't miss the opportunity to live the unique experience offered by the Nimbus T11.
