Description

Parker 800 CruiserThe perfect weekend boat for cruising with style and power.

The Parker 800 Cruiser is a weekend boat designed to offer a pleasant and comfortable sailing experience. It has a spacious and functional cockpit, which includes sofas and seating in front of the bathing platform, providing a perfect space to enjoy the company of friends and family. In addition, one of the highlights of the Parker 800 Cruiser is its generous bow sundeck, which provides an ideal place to sunbathe and relax while taking in the seascape.

Discover the interior of this weekend boat and you will find two cozy cabins that sleep up to four people. Imagine spending a night on board, surrounded by the tranquility of the sea and waking up at dawn in an idyllic cove. The Parker 800 Cruiser offers you the opportunity to enjoy unique and memorable moments in a comfortable and cozy environment.

In terms of technology and performance, Parker has successfully developed a stepped hull, integrated engine mount and a pronounced V-shaped keel. These features provide exceptional handling, sporty qualities and sailing comfort. In addition, the innovative stepped hull design with integrated engine mount reduces the glide threshold, reduces engine power requirement, increases top speeds and improves fuel economy.

Contact us at for more information and our team of experts will guide you in discovering all that the Parker 800 Cruiser has to offer. Don't miss the opportunity to live the nautical adventure of your dreams. We are waiting for you on board!
