NauticLuis

DESCRIPTION

Discover versatility and comfort on the high seas with this 2016 Parker 800 Pilothouse unit, a boat carefully maintained by Nautic Luis, the benchmark for quality and reliability in the marine industry. With only 28 hours of use, this boat is the ideal choice for those looking for a reliable and ready to sail boat.

Designed for both fishing and casual cruising, the Parker 800 Pilothouse is powered by two powerful and efficient engines, ensuring superior performance and exceptional maneuverability, hallmarks of the entire Parker fleet. Its wide side door and the second helm station in the cockpit offer a comfortable and safe navigation experience, perfectly adapted to the needs of the most demanding sailors.

In addition, this boat has been sold and maintained exclusively by Nautic Luis, official Parker importers and Suzuki service in Spain. This guarantees that every aspect of the boat has been thoroughly checked, thus ensuring its optimum condition and durability. Equipped with a well-ventilated cabin and an enclosed WC compartment, the Parker 800 Pilothouse offers comfort and practicality on every outing.

By purchasing this Parker 800 Pilothouse through Nautic Luis, you are not only investing in a boat, but in a reliable partner for all your marine adventures, backed by the exceptional customer service and technical expertise of a market leader. Don't miss the opportunity to enjoy the sea in style and safety aboard this magnificent vessel!
