The Parker 850 Voyager combines sportiness, comfort, and versatility in a vessel designed to enjoy the sea to the fullest. With its 8.44-meter length and innovative Twin-Step hull, it offers agile, stable, and safe navigation, reaching speeds of up to 45 knots with a 350 hp Suzuki engine.

Its spacious convertible cockpit, sun deck areas, and two interior rest zones, with capacity for four people, make it an ideal choice for both day trips and weekend getaways.

A vessel that stands out for its excellent seaworthiness, use of space, and true versatility.
