Description

A vessel designed to the highest standards of navigation.

This **Windy SR52 Blackbird from 2026**, equipped with **3 Volvo Penta IPS 650 engines and only 98 engine hours**, represents the excellence of Scandinavian engineering, combining extraordinary performance with an elegant and timeless design.

With a **length of 16.10 meters**, its deep-V hull offers precise, stable, and comfortable navigation, backed by the renowned build quality of the Norwegian shipyard.

This unit has served as a **chase boat for a megayacht**, a role that demands reliability, performance, and impeccable behavior at sea. Its configuration and low hours of use make it an interesting opportunity for those seeking a high-performance vessel with a distinctively exclusive character.
