Description

The Regal 27 FasDeck is a bowrider boat that stands out for its spaciousness, functional layout, and excellent use of onboard space. Designed for day trips with family or friends, it offers various relaxation areas and great freedom of movement. This 2013 unit, with a single owner, is equipped with a Volvo Penta V8-300 engine with 423 hours and is available at Nautic Luis.

Its exterior layout allows for comfortable enjoyment of the different spaces on board. The bow features a spacious U-shaped sofa area, ideal for relaxing or sharing moments with company, while the stern has a sundeck and an awning that provides shade when needed. The cockpit offers different configurations for placing the table, adapting to both relaxation and onboard meals. A teak-covered swim platform completes the ensemble, facilitating access to the water.

Regarding equipment, it includes a Humminbird plotter, electric anchor windlass, and sound system, in addition to a separate head that provides comfort during navigation days.

A particularly interesting boat for those seeking space, comfort, and versatility, with a layout designed to make the most of every corner and enjoy the sea in company.
