Description

The Sealine SC35 offers a bright and spacious interior design, thanks to large skylights in the lounge and cabins, creating a sense of spaciousness uncommon in vessels of its size. The layout includes a convertible lounge, fully equipped kitchen, and two separate cabins, providing comfort for extended stays on board. It offers a bright and spacious interior design, thanks to large skylights in the lounge and cabins, creating a sense of spaciousness uncommon in vessels of its size. The layout includes a convertible lounge, fully equipped kitchen, and two separate cabins, providing comfort for extended stays on board.

The Sealine SC35 was awarded the «Motor Boat of the Year» prize in 2008 in the sports cruiser category, standing out for its innovative design and functionality.
