Description

With a modern retro style, the Windy 37 Shamal is prepared to emulate the success of the legendary Khamsin. Designed by internationally acclaimed yacht designer Espen Øino and imbued with Windy’s core DNA, the Shamal celebrates the “ease of use in navigation”, with 21st century style and great comfort. With a focus on a spacious cockpit, an exceptional hull, and first-class handling, it is undoubtedly an authentic Windy sports boat. Inspired by Windy models from the 60s and 70s, Espen Øino and his team have developed a fantastic design language that combines comfort and cutting-edge technology. The Windy 37 Shamal is the perfect balance between classic design and modern technology. On deck, its spacious cockpit with rear sundeck, adjustable table and bimini system ensures an ideal environment to enjoy every cruise in comfort and style.
