DESCRIPTION

The Windy 31 Tornado, available at Nautic Luis, is a boat that combines classic Scandinavian design with surprisingly dynamic performance. This 2001 unit, carefully maintained and with recent upgrades, represents an exceptional opportunity for those who want a high-quality boat with a sporty character.

Powered by two 170 hp Volvo Penta KAD32P DP-E engines, the Windy 31 Tornado reaches an agile and stable cruising speed, guaranteeing precise and efficient navigation. Its behavior in the water is true to the Windy legacy: deep V hulls, impeccable maneuverability, and a feeling of absolute control in every turn.

The deck, with a stern sundeck and original exterior upholstery, offers a spacious and comfortable area to enjoy the sea in style. Below deck, there is a warm and functional interior, with quality finishes, an independent aft cabin, an equipped kitchen, and a convertible saloon, ideal for weekend stays on board or longer crossings.

This boat is ready to sail, with up-to-date (2024) servicing and multiple extras such as bow thruster, battery charger, teak throughout the deck and new bimini top. An authentic Windy, with all its Scandinavian character intact.

With twin engines, an elegant, timeless silhouette, and complete equipment, the Windy 31 Tornado is perfect for those seeking a sporty boat with a classic soul and modern features.

Contact us today to arrange a visit and discover the spectacular Windy 31 Tornado firsthand!
