Description

The **Windy 31 Zonda** is one of the icons of the Norwegian brand, renowned for its sporty elegance and exceptional navigation. This model, awarded the *European Power Boat Award* and the *Motor Boat of the Year*, combines a timeless design with a deep V-hull that guarantees safety, stability, and an exciting sailing experience even in demanding seas.

The boat offers a perfect balance between performance and comfort: sporty lines, a refined interior with a two-seater cabin and separate bathroom, and a spacious cockpit with solarium and social area ideal for enjoying in company.

We currently have this **Windy 31 Zonda unit equipped with two Volvo Penta D3 engines of 220 horsepower each**, a configuration that ensures power, efficiency, and a high-level sailing experience.
