## DESCRIPTION

The Windy SR52 Blackbird is a high-end vessel, designed to combine luxury, performance, and versatility. With a length of 16 meters, it stands out for its elegant Scandinavian design and its ability to reach high speeds thanks to its deep V-shaped hull and powerful engines, which can propel it to speeds of up to 46 knots.

With a focus on comfort and technology, the SR52 Blackbird features large sundeck areas, a spacious salon and a well-equipped cockpit. Often used as a tender for superyachts, she is also ideal for quick getaways and luxury travel.
